ADmits KILLING PEARL BRYAN

Elmer Confesses Crime for Which Two
Were Executed; Says He Killed
Six Others

Los Angeles, July 6.—Arrested for
carrying a huge \$12,000 check at Va-
nity City, yesterday and using the mon-
ey to purchase a duplicate movie store.
Simon P. Helfenstein, alias G. W. Al-
len, tonight made a written confession
admitting seven murders in Okan, and
describing as "the real murderer" of
Pearl Bryan, in Cincinnati 15 years ago,
for whose death two medical students
were executed.

According to Helfenstein, his mother
lives at Bell Center, Okan. Since sum-
mer to the const. and used the name
of G. W. Allen, and states that he had
a wife living under that name in San
Jose, Calif.

Here are the names that Helfenstein
confessed:

May 1898—Killed Captain DeRidder
and wife in Beloit, Ohio, with an
axe. Got \$800 from their home.

June 1898—Killed John Blasby in New York
for the crime, but was convicted
1898—Killed Pearl Bryan, Cincinnati,
Ohio. The son who was born just with a
44 million recovery, and then two medi-
cal students, Walling and Jackson, dis-
covered her. She was in a delicate con-
dition, and Helfenstein. He shipped
the body to a small town boat by air
line, he said. Searched Wilson, an ex-
pressman for this purpose. The two
medical students carried the body
to where it was buried. They paid, but
refused to give \$1000 for the job, and
one of them implicating him. He says
he later sold the receiver to Lewis
White, a pawnbroker.

July 22, 1898—Shot and killed Joe
Eckles at Tar Flat, Springfield, Ohio,
robbing the body of \$5,000. Helfenstein
worked for Eckles in a second hand
store while living at 32 Market place,
Springfield.

September 5, 1898—Killed A. C.
Pletcher, a farrier at Kenton Pike,
Ohio, with a nail gun, and then killed
Lord Butler, a companion for pranc-
ing. He robbed Pletcher of \$1500. He
put both bodies in a buggy, drove it
onto the Big Four Railroad tracks to
make it appear that a train had killed
them. He then carried the bodies, and
the Pletcher family, to the funeral.

December, 1898—Killed Frank Tyrell
of New York at Laramie, Colo., with a
shot. Body was never identified. He
says he took it to Turner and Fourth
avenue where it was found.

SCABIES QUARANTINE IS LIFTED

For South Dakota, New Mexico, and in
One County in Montana and in
Nebraska

The Secretary of Agriculture, under
date of July 15, has ordered released
from quarantine for scabies, a conta-
gious communicable disease of cattle,
the remainder of the states of South
Dakota and New Mexico. This releases
from quarantine in South Dakota the
counties of Lawrence, Pennington, Custer,
Fall River, Washington, Shannon,
Benton, and Washington. In New
Mexico, the quarantine is raised from
the following counties of Union,
Guadalupe, Quay, Roosevelt, Guaves,
Eddy, and portion of Torrance county
lying east and south of the El Paso and
Rock Island Railway, that portion of
Lincoln county lying east and south of
the El Paso and Northeastern and the
El Paso and Rio, Island Railways, and
that portion of Okan county lying east
of the El Paso and Northeastern Rail-
way.

In the state of Montana, the county
of Fergus is released from quarantine,
and in the State of Nebraska the coun-
ty of Thomas is released from quar-
antine for scabies. This means that the
prohibition against shipping cattle from
these previously quarantined districts
into other sections is now ended.

The same order replaces under quar-
antine for scabies in the State of Wy-
oming the newly named and organized
counties of Platte, Gordon, and Niobrara
and continues under quarantine in Ne-
braska that portion of Garden county,
north of the North Platte River, which
was formerly part of Deuel county.

OLD SOLDIER IS DEAD
They good old dog that Alex Street
brought here yesterday, when Tucumcari
was an infant, passed quietly out in
front of Harry & Howie's last Tues-
day night, at 6 o'clock.

This is the dog Uncle Kline wrote up
recently, and he should write the
obituary, and the loss information
will say that Soldier would have been
thirteen years old Aug. 4, had he lived.

His body was placed in a box and he
was buried without of town and the
following we are told acted officially
at the services:

Walters and Alex Street, pall-bearers;
William and Alex Street, pall-bearers;
Max Goldsmith delivered a short speak-
ing portion, while Messrs. Abbott and
Walters rendered a vocal duet which
should not be duplicated in seventeen
states. Alex Street was the mournful.

This good old dog was everybody's
friend and was everyone's保护神
and companion among us, either he
was so very large his appearance
put most of the dogs to flight.

THE GLORIOUS FOURTH

As advertised, the All Quay County
was driven by Uncle Sam, the team
being Mr. Troup's span of \$700 blacks.

It was most beautifully decorated, while
Miss Mildred Ritchey was the Queen
upon the throne and the scene was cer-
tainly pretty.

The other rigs and autos were all
beautifully decorated but space will not
permit us to describe them.

The following is a list of the prizes
won as given to us by one of the judges
in amusements.

Pony Race—Free for all, 300 yards,
won by L. W. Turner.

Ladies Race—Won by Miss Wier and
Miss Helen Humphreys second.

Pony Race—100 yards, won by H. G.
Smith, Mr. Cecil second.

Pony—Foot Race—Frank McGlenney
1st; Hassell Moore, second.

The base ball at the park was a splen-
did feature, but the E. P. & S. W. team
had gone to Bisbee and we got a see-
and nine, hence, the score stood 19 to
5 in favor of Tucumcari.

There was a dance given at the Ar-
cade, also the Blitz building, each be-
ing well attended.

Last, but not least, was the speaking
of Hon. Antonio J. Lanero, the present

Secretary of State, who gave an able
address, which was interpreted by Hon.
Jean J. Cheney, of Santa Rosa, a prom-
inent individual, a member of our first

legislature, stockman, former sheep in-
spector, and a sensible gentleman, all
of which met with hearty reception.

Hon. H. Wyatt was master of cere-
monies and the day seemed to please
all as did the grand fire works in the
evening.

We hope they will all come back again
in an All Quay County Celebration.

OUR COUNTY FAIR

There was a meeting of the citizens
at the Commercial Club Rooms to as-
certain the advisability of having a
county fair.

Since we are due \$500 from the county
to be given in prizes for products, etc., we think it possible
Committees were appointed, as to se-
lecting officers for the new organization
also a committee on articles of incor-
poration. The first committee being

Messrs. Chapman, Evans, and Marneid,

The second committee being H. H. Mc-
Elroy, M. B. Keeler and H. L. Bova. We

will have a county fair.

TUCUMCARI WINS FROM EL PASO

The ball game on the Fourth between
Tucumcari and the E. P. & S. W. Team
of El Paso, resulted in an overwhelming

victory for the home team by a
score of 19 to 5.

Our boys showed the strongest line
up of any appearance this season, one
that could win from any team in this
part of the woods, and if the opposition
had been stronger the large crowd of
fans would have witnessed a good ex-
hibition of the national game.

Lewis for the locals did the twirling
and he did it in a masterly manner,
never at any time having to exert himself.

Hatchett on the receiving end caught a fine game. Our infield and
outfield played right up to the handle
every man performing his part in a
perfect manner.

The following is the score by innings:

1	2	3	4	5	6	7	8	9	Total
El Paso	0	1	1	0	1	2	0	0	5
Tucumcari	6	3	1	0	4	2	1	2	x—19

Arrangements have been made to have
Duthart here on Sunday. Duthart has
strengthened considerably since their
last appearance but our boys will show
the same line up as on the 4th. Dick
Lewis will pitch; therefore, a great

game is assured.

WEDDING BELLS

Rumor has it that Mr. Frank G. Tay-
lor was married to Miss Wilma Dor-
ris at Santa Rosa on Friday of this
week.

The report seems general, and as far
as we can get, there is a box of cigars bearing

an inscription so stating, etc., and we
have every reason to believe it true
while at this time we cannot locate them
to ascertain facts.

The bride is the daughter of Mr.
Doremus, conductor on the T. & M. R. R.
and has been here but a few weeks.

The groom is in the employ of the
E. P. & S. W. R. at this point, is popular
in social circles, is a member of the B. P. O. E.
and has a host of friends who wish the happy couple all peace,
happiness and comfort through this
life and a safe harbor in the great beyond,
and the News joins most heartily
in these good wishes.
